

Dear Coaches & Team Representatives,

The following attachments are the job assignments for the 2010 YMCA Central League Sectional Championship (Formerly "A" Central Championships) for, Friday, Saturday, Sunday, March 5, 6 & 7, 2010, to be held at the Countryside YMCA. All assigned positions are based on the number of "A" Championship entries, per day, from the 2009 A Championship.

Please be sure that all positions assigned to your team are filled. These assignments are *your team's responsibility*. Your team must fill the positions assigned in order for your team to participate in the Championship meet. If your team parents cannot fill an assigned position, please contact another Y coach or team representative to arrange swapping positions or times. Do not contact Anne Albert, "explaining" why your team cannot fill the position. She cannot commit another team to a trade and she will not arrange to have the positions filled for your team! A well-run Championship meet is every team's responsibility, large or *small*.

Devotional assignments are as follows:

Friday Evening Session: CY

Saturday AM Session: CFY

Saturday PM Session: GMVY

Sunday AM Session: MY

Sunday PM Session: KEY

Please refer to the <http://swyswim.org> site under, "**Central: Countryside YMCA Meet Information**" for more detailed Championship information. All information concerning the Countryside Site will be sent via the Internet, and e-mail. If you have any questions, please contact me at the e-mail address listed below.

As you already know, we will be having Finals this year for Sectional Championships. For clarification purposes, Claudia has named it the Green Championship (ST. Patrick's - newer swimmers, etc.) ;). If you know now that your team will not be participating, at all, PLEASE let me know, anneduke@aol.com. If you know you ARE coming, please contact me. I'd like to start building a list of teams who will volunteer, so we can try to place workers. We will need volunteers to make the meet a success. Please alert your parents to the fact that Countryside is not *hosting* the event. They are providing the facility -the league MUST supply the workers. More details on Sectional Finals aka, 'Green Championships,' will follow.

Please confirm to me that you have in fact received this e-mail. "I didn't know our team's assignments," will not be an excuse for not supplying workers. If you have received this information in error, or are no longer the Coach or Team Representative, please forward this to the proper individual or individuals. It is critical to get this information to the proper individuals. In some cases, team representatives change on a yearly basis. A confirmation is the only way I know you have received this information.

Thank you for your cooperation and attention to this matter. We look forward to a professional, well-run Central League Sectional Championship.

Thank you,
Anne Albert
Central Sectional Site Meet Director
